MEMORANDUM FOR:

[REDACTED] D/DCI/NIPe

SUBJECT:

Annual Report to the President's  
Foreign Intelligence Advisory Board

1. I am forwarding herewith the DD/S&T contribution to the Agency's annual report to the PFIAB covering FY 1966 as requested by the 1 July memorandum from the Executive Director-Comptroller.

2. In arranging this material, I have been guided by the composition of last year's PFIAB report as well as by the reporting outline attached to the 1 July memorandum. The pages of the various sections have been set up to facilitate integration with other Directorate contributions if necessary. The repetition of basic information was avoided except in Section J where governing directives for the various functions of DDS&T remained the same.

3. We have responded to all sections where action was indicated except for Section E (8) dealing with photographic intelligence. DD/S&T provides complete information on these matters separately to the Board.

4. Should additional material be required or if you have any questions regarding content, please contact Mr. [REDACTED] on extension Red-1978.
